OFFICE OF PETITIONS  
DEPUTY A/C PATENTS

Sir:

Applicants submitted on November 19, 1999 a Petition To Revive An Unintentionally Abandoned Application Under 37 C.F.R. § 1.137(b). This petition was dismissed and a notice of the dismissal was mailed to Applicants on January 11, 2000.

The reasons for dismissing the petition was that (a) the petition does not contain a statement that the entire delay was unintentional as required, and (b) the petition lacked a terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(c).

Applicants, by their undersigned attorney state, that the entire delay in filing the required reply from the April 4, 1999 due date until the filing of the Petition on November 19, 1999 and thence until the filing of this Renewed Petition was unintentional.
